

December 30, 2025: On the USA Adjusting Their Path Toward Oppressing Their Own People

“If they aren’t upset that we are hurting them, then why even do it?” - Government Mafia

We are clearly being targeted in an ongoing ‘secret’ attack and ‘private’ nuisance from Donald Trump’s team of criminals that are beginning inside of the United States government and spanning outward to various ‘evil-doers’ all around us.

And to give you the true mindset that is being expressed to our home - each and every day, every single day, all day long:

Their team is:

- not simply illegally spying on us,
- not simply stalking us wherever we go,
- not simply stealing my work product;

Their team is:

- constantly pushing their signs to ‘show’ us that they are spying on us,
- constantly pushing their signs to ‘show’ us that they are stalking us wherever we go, and
- constantly pushing their signs to ‘show’ us that they are stealing my work product.

And when my wife and I are not ‘upset’ enough by their ongoing ‘show’ of oppression over our life, and ongoing proof of stalking our life, and ongoing proof of stealing our work product and conversations,

Their team ‘ups the ante’ by causing property damage, private noise nuisances, and other petty offenses against our home and vehicles.

THIS IS THE TRUE STORY OF WHAT DONALD TRUMP DID AFTER HE DISCOVERED WHO I AM AND WHAT I AM CAPABLE OF IN THIS WORLD.

THIS IS THE TRUE STORY OF WHAT THE AMERICAN GOVERNMENT DID WHEN I TOOK THE TIME TO ENGAGE MY KNOWLEDGE INTO LOWEST LEVELS OF AMERICAN POLITICS.

I CAN ASSURE THE WORLD WITH GREAT CONFIDENCE:

The United States of America is working (very diligently) to destroy the lives, resources, and experiences, of its own people.

America, and the criminals that run their illegal operation, have absolutely, and without a doubt in my mind, gone to work at secretly and privately destroying my life.

You can process this information within your own mind, and take from it whatever you choose to believe, but I am recording this journal from actual real-world experiences, not what I heard on TV or read in the daily news.

I filed the lawsuits, I went after the voting results data, I sued J. Cheney Mason, I sued Nelson Wolff, and I was elected to represent my neighborhood in Bexar County, Texas, as the Republican Party Precinct Chair of my neighborhood in Precinct #2053.

“The government is being run as a gang of criminals that are controlled from inside of the United States national security apparatus.” - Chris Noel Carlin, December 30, 2025.

December 19, 2025: ‘Alignment’ from the Trump Team

(Immediately after viewing a video on our phone of a chiropractor using a ‘hammer’ to adjust their patient’s alignment, we exit the business and find this on our vehicle.)

◆ AI Overview

A chiropractor's "clicking hammer" usually refers to the **Activator Adjusting Instrument**, a handheld, spring-loaded tool that delivers a quick, controlled impulse to joints for adjustments, producing a "click" sound from the device itself, not the joint, making it gentler for sensitive patients, osteopenia, or osteoporosis cases, and a precise alternative to manual adjustments for spinal or extremity pain. December 30, 2025: Another Trump Team 'Adjustment'

Today, we find this 'straight line' etched into the side of our vehicle.

This is the latest of many intentional damages that have been caused to our property since Donald Trump's Team of criminals and wannabe gangsters started following my work, spying on our lives, and attempting to interact with our home for their own benefits - not ours.

I am continuing to document the lowlife and petty vengeance that Donald Trump continues to exert into our home in some search of some satisfaction, happiness, or relevance that he lacks in his own mind.

Remember, this all began with a boot kick to the back of our car several years ago.
